

GREEN TIPS: BACK TO SCHOOL

Going back to school after vacation is an exciting time because we get to meet our teachers and friends again. Here is a list of ways to be as green as we can in school.

- 1. Walk or ride your bicycle to school,** if you live near the school. **It is better for both the environment and your body.**
- 2. Use refillable pens** and pencils.
- 3. Avoid junk food.** Take home made food in lunch box. Avoid paper bags or aluminium foil or packing food.
- 4. Take water bottle** and avoid cold drinks.
- 5. Switch off the lights** when everybody has left the classroom. Also **turn off the computer** when you leave the computer room.

SOME 'MUST TIPS' FOR ACTIVE LEARNERS

Make a To-Do List every day

Put things that are most important at the top of the list and do them first Give yourself a time budget and plan your activities accordingly.

Seek Guidance from your Teacher

When you get along with your teachers well and seek their guidance, **it makes your time spent in the classroom more pleasant.** By doing this, you learn better things and become **more comfortable while asking questions and getting extra help.**

Complete Homework in Time

Homework helps you to reinforce what you have learnt in your classes and built study habits at home.

Complete the homework in scheduled time. If you don't have homework, use the time to revise notes. **Don't allow disturbances like phone calls and music while reading.**

Always remember that **hard work, humility and honesty** are the three most important qualities for success as an active learner.
